

DDB PART#: **SR-8419**

They are made from fully constructed steel for superior durability and stability. Being made of our structural steel you will find it strong enough to rack even the heaviest of equipment. We also offer many options to our indoor rack, like pull out drawers and shelves. They are the ultimate choice for those open equipment requirements.

Our professional Sales staff and CAD-Engineering team are able to assist you with a state of the art design, a competitive pricing and a prompt delivery.
