

DDB MONTHLY EXPOSURE

Each of you should use whatever Gift you have received to serve others as faithful stewards of God's Grace in it's various forms

1 Peter 4:10

Happy Birthday

Freddie Blackerby	08/01
Allidy Weilenman	08/07
Shon McNiell	08/10
Steve Adamietz	08/11
Chris Vail	08/12

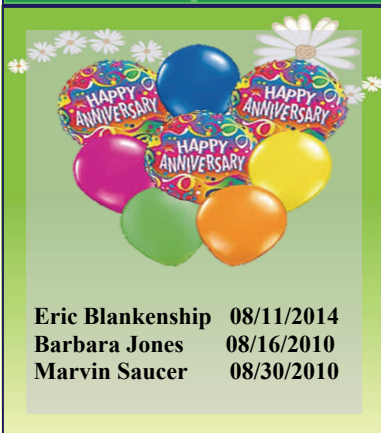

Employee of the Month

Graciano Cuevas better known as Chano is DDB Unlimited's Employee of the month. Chano has worked for Dustin Mahorney and for DDB Unlimited since 2009. When he first started at DDB he worked in Mainline at DDB1 installing alarms and light bars as well as duct work in enclosures. Mike Mahorney was one of his supervisors at that time. His many chores these days include maintenance, remodeling, animal caretaker, gardener and whatever else is asked of him. Chano never complains and always smiles and greets

everyone he sees. He is also willing to teach some of us Spanish one phrase at a time. On a more personal note Originally from Mexico, Chano moved to Oklahoma from Indiana. He is married to Raquel Cuevas, together they have been blessed with 2 Children and 4 Grandchildren. Chano is also very active in his local church. He loves to play the guitar and the piano so it is no wonder that he is a singer and musician for his church as well.

Chano we hope you know that we appreciate all you do and are happy to have you as part of our DDB family.

Safety Awareness

Quote of the Month

**If it is important to you
You will find a way
If it is not
You will find an excuse**

**Watch for Upcoming
Changes to Our Newsletter**

Ear Plugs are important

Use earplugs or earmuffs to protect you from loud noises Long-term exposure to 80-85 decibels or more can cause hearing loss without protection. It is not recommended to be exposed to 100 decibels without any protection for more than 15 minutes. Decibels levels of common sounds: Aircraft takeoff: 180, Lawnmower: 90, Chainsaw: 110, Normal conversation: 60, and Amplified music: 110

Eye protection

Eye hazards include metal slivers, dust, wood chips, cement chips, nails, and staples To protect yourself you should wear safety glasses, goggles, face

shields, or full face respirators.

Make sure that eye protection is adjustable so that it can fit and have a good coverage for your eyes.

Hand protection

Make sure that you are wearing the proper gloves for the task since some gloves are designed for certain activities and may not protect you well enough when used for another task

Types of gloves and their uses:

Leather, canvas, or metal mesh: protect against cuts or burns

Fabric and coated fabric: more general protect form

dirt, chafing, and slip resistance and coated fabric. Not recommended for rough, sharp, or heavy materials. Chemical and liquid resistant: made from rubber to protect form harmful liquids but thicker and more resistant glove limit hand grip and dexterity.

Body protection includes coveralls, vests, jackets, aprons, and full body suits to protect from cuts, burns, chemical burns as well as impact form tools or machinery

Head protection includes wearing a helmet or hard hat to protect from impact, electrical shock or burns.

DDB FAMILY FUN DAY

Please RSVP

Saturday August 29th
10:00am to 3:00pm

DDB is once again having a family fun day for all of our employees and their families. For those of you that did not come last year, you certainly missed out on a wonderful day of food, fellowship and fun for all ages. The huge inflatable's were a hit with the adults as well as the kids and the dunking booth was going non-stop. In addition to the dunking booth this year the slide will also have water. It is a Tropical Wet Slide Inflatable so be prepared to get wet. There will also be a bounce castle and the very popular Bungee/Joust/Twister from last year. DDB is also supplying Hamburgers, Hotdogs, Chips and Drinks for all in attendance. If you plan on attending and bringing your family please let us know so we can make sure to have plenty of food for everyone. We look forward to seeing you ALL this year so make plans to come and join in on the fun, great music, good food, and great friends..

**Letter from
Pastor Don**

Pastor Don has been in Africa and was unable to get his insert for the newsletter to us in time. We wish him well this month and are glad he had safe travels to and from Africa sharing God's Word. If I receive his insert for this month at a later time I will send it out via email for those who would like to read it.
