Mike McCarty	01/27
Megan Salgado	01/30
Keith Mahorney	01/31

Happy
Birthday

Employee of the Month

Roger Henderson started working at DDB1 in Wynnewood on 2/04/2009. He started in mainline working on Clearwire cabinets. He went from day shift to night shift and then moved permanently to DDB3 in Pauls Valley. Roger is a very big asset to the mainline team, he has been around long enough to know the ins and outs of building the cabinets and he catches on fast to the new improvements that are made. He can at times be hard to work with BUT he is also one of the nicest people you will ever meet.

Roger has two daughters,

Ashley and Lauren and one beautiful granddaughter Kenna. He absolutely loves being a grandpa and getting to spoil Kenna when he can. He constantly talks about his daughters and how much he loves them and enjoys being there for them when they need him.

Also Roger used to be a horse jockey and anyone that knows him, knows that he loves to tell his friends all about it. He has so many stories to tell and everyone enjoys listening to them and watching his reenactments while telling the story! And the best part is watching him make his

self laugh uncontrollably at his own stories!! All in all Roger is an all around awesome person to be able to call a friend and an employee. Thank you for all you do!!

Important Reminder

End of the year checklist.

With the new year beginning we would like to remind you that the last year has been full of many changes. As a rule of thumb you should update contact information with your employer as soon as it occurs. At times due to the busy nature of our lives we forget that we have gotten a new phone or moved across town etc. and never informed the human resources department of our new contact information. In turn our important income tax documents may not be received as they were sent to the address on file. Also if your

employer needs to get in touch with you after hours or in case of an emergency it helps to have that information. If you have made one of these changes in your life please see the HR department to update your contact information. If you are not sure if the updated information is on file we ask that you please stop in and let them pull it up so you can be sure that it is all correct. You can also check the accuracy of this information your self by signing in to your ADP account. Whichever avenue you take please make sure all of your contact information is

Happy New Year

Best Wishes

updated for the New Year. Thank you all for your help in this matter and we wish you a very blessed and **Happy New Year.**

"Quote of the Month"

"What the New Year brings to you will depend on what you bring to the New Year."

Vern McLellan

Safety & Policy

Letter from Pastor Don

Worker protection is the law of the land. All employees have the right to a safe workplace. The Occupational Safety and Health Act of 1970 (OSH Act) was passed to prevent workers from being killed or otherwise harmed at work. The law requires employers to provide their employees with working conditions that are free of known dangers that could harm their employees.

At DDB Unlimited, Inc. we take the safety of our employees very seriously. In an effort to reduce the possibility of injuries to the feet, we are putting into affect a policy requiring all employees working on the production floor to wear safety shoes. This is in compliance with OSHA regulation 1910.136 requiring employers to assure all employees to use protective footwear where there is a danger of foot injury from falling or rolling objects, or objects piercing the sole. This policy takes effect on January 1st of 2015. If you have any questions regarding how this affects you please talk to your supervisor or HR Manager for additional information.

Have a safe and blessed 2015 !

I was awakened this morning with a song on my heart reminding me that one day... everything will be ok. It's titled "**Come Morning**" and it goes like this...

1) God's children too long have been burdened, they are longing for Heaven's green shore. Where their heartaches, are left far behind them and our burdens we'll carry no more.

Chorus... Come morning we'll walk by the river. We'll rest neath the evergreen tree. So I'll carry my cross thru the midnight. Come morning there's glory for me.

2) Well sometimes I'm despised and rejected and I question Oh Father how long? But I take one more look at Mt. Calvary and it gives me the strength to go on.

Chorus... Come morning we'll walk by the river. We'll rest neath the evergreen tree. So I'll carry my cross thru the midnight. Come morning there's glory for me.

Christmas is now past, another year is now gone, we are a little older now and those of us who remain here are in need of fresh encouragement. With the rising of every sun comes the refreshing of God's continual promises of light overtaking darkness, good times overtaking hard times and a future that is bright no matter how difficult life is today. He has said if God is for us who can be against us? Then He called His children "MORE THAN CONQUORERS." We have no choice but to overcome because even the darkest days and hardest times cannot separate us from the love our Heavenly Father has for us. (Romans 8:31-37) 31 What shall we then say to these things? If God be for us, who can be against us? 32 He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? 33 Who shall lay any thing to the charge of God's elect? It is God that justifieth. 34 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us. 35 Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? 36 As it is written, For thy sake we are killed all the day long; we are accounted as sheep for the slaughter. 37 Nay, in all these things we are **more than conquerors through him that loved us...**

Join with me in a determination to face the new year as "more than a conqueror" and walk with me in the attitude of victory as we carry our cross no matter what lies ahead. Remember, we are only visiting here on the earth for a short season. Come morning, whenever the Lord takes us home, we will walk by the River of Life, we will rest beneath the Tree of Life and come morning there is glory for His children to enjoy.

Look up, Press on and Testify of His goodness in your life in the years past and the year ahead of us...

We love you all at DDB Unlimited. May the Lord bless all that your hands do, May you prosper in this new year,

pd&b Jan 2015

Featured Product

****New** 4000 BTU**

Pentair Air Conditioners

DDB is now stocking the ACP-4000-N28-1 Air Conditioner . At 28"H X 11.5"W X 14"D this air conditioner features include R407c and R134a earth-friendly refrigerants that are RoHS compliant. We have models that are for 115 or 230 AC Volt power for whatever your power needs may be.

This 4000 BTU A/C has an attractive design with minimal use of visible fasteners with easy-mount flanges for simple installation.

These air conditioners have a galvanized sheet-metal cover for rugged factory & outdoor environments.

Standard Outdoor Air Conditioner models also include:

- Telcordia GR-487 capable
- Corrosion-resistant components
- Malfunction switch
- Compressor heater
- Head pressure control
- 1300 W enclosure heater

Check out all the features and even download a specification sheet on our Website @ www.ddbunlimited.com
