Employee of the month

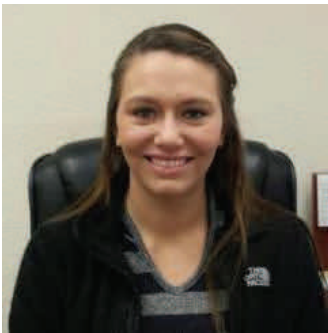

Written by : Angel Miles

Allidy joined the DDB Family on 9/17/2014 as a receptionist at the front desk. She almost immediately began cross training on many functions of the Sales Team to help out. Additionally Allidy also helped with the Brochures and anything else she could get involved in as she did not like to be bored. For this reason and a few others Allidy did not stay the receptionist very long , the company quickly recognized her abilities and when the opportunity presented itself she was quickly moved into a sales associate position. Although she still assist Tammy in answering phones she is doing a great job and being a very big asset to the Sales

Team. I would also like to bring to everyone's attention that Allidy is probably the youngest full time daily employee that we have here at DDB3, At 20 yrs. Old she is more mature than a lot of people, much older than her. On a more personal note Allidy is a very family oriented person, she would do anything for her family and there are a few special friends who can also depend on Allidy no matter what. All in All Allidy would help just about anyone she could just because that is the kind of person she is. Also Allidy has an upcoming adventure that she will be going on. She will be getting married

to Chas on November 20th and beginning the new adventure of Married Life. We wish them both many blessings and a wonderful future as husband and wife. Thank you Allidy for all you have done for DDB and all you continue to do. We are so happy to have you as part of our family.

Safety Tips for the Halloween Holiday

- Make sure your children know not to go anywhere with strangers.
- Be sure to walk with your child and if there is a lot of kids in your group make sure to have more adults to help watch the kids.
- Be cautious of the drivers on the road who may not be paying attention.
- Stay in well-lit areas and where there is a lot of people around.
- Check all candy when you get home!
- Bring flashlights or glow sticks for extra light if needed.

Halloween Pet Safety

- Don't feed your animal sweets
- Try to keep your pet away from any decorations so they don't get hurt.
- Be sure to keep them away from the Trick or Treaters that come to your door for the safety of your pet and the children.
- Always have their ID tags visible in case they get spooked and run away.

DDB Crusaders-for-Hope

The DDB Crusaders-for-Hope would like give everyone a quick update on our activities recently. Over the last few months we have had a few fund raisers for Relay for Life. The proceeds from The Jewelry and T-shirts from Last year (which we still have more of if you are interested see Terri.), The Sucker Sale, The Brownie and Cookie Sale, and The Biscuit Sale have earned more than \$ 375. This is a huge accomplishment for these small fundraiser's simply because they were not in large quantity and were only sold to DDB employees. It is exciting to think how much more we can do by the deadline of Aug. 2016. We are just getting started with our Fund Raising activities and will consider any ideas anyone thinks may help to raise funds for a very worthy cause. A special Thank you to all that participated and please know it is very much appreciated.

Rolf Davis

Rolf began his career at DDB on 07/17/2006 and has recently decided that the good lord has another direction for him to be traveling.

Although he will be missed greatly and thought of often on 10/9/2015 we wished him many blessings on his journey and pray the light from his lamp be bright.
