Feature Story: What does Sherri Do?

Last month we briefly introduced you to the corporate officers. This month I would like to tell you a little bit about who Sherri Bell O'Dell is and what she does for the company. If you recall, she is the Vice President and Comptroller. A comptroller is essentially a Chief Financial Officer or Chief Audit Executive. This title encompasses a variety of responsibilities, such as, overseeing accounting, monitoring internal controls and counter-signing on expenses and commitments.

costs to operate. We have to have funds to pay for the supplies we use to make our products, the utilities to keep the facilities operational and comfortable, and to pay the employees required to get the product sold, produced and out the door, and everyone in between. She is responsible for making sure the creditors are paid and the debtors pay. Oh, and she makes sure our checks keep coming. As Vice President she is responsible for helping the other members make executive decisions that are vital to the company's survival.

(Alisha), will complete her senior year of high school in May and will be a certified mechanic.

On top of all this, Sherri finds time to help out the American Cancer Society through her faithful participation in Relay For Life and to help people in need. She is a great friend to many. I want to take this opportunity to say, THANK YOU SHERRI for all you do. You are truly a blessing to many and you are greatly appreciated.

In this role Sherri is responsible for assuring there are sufficient funds to carry out day to day operations within the company. To perform this task she must first make sure we have enough money coming in to cover the amount of money it

She also has a wonderful family of 2 children and a husband. Bo, her husband works as QA in production at DDB1, Alex, her son works in production at DDB 1 and is attending high school on line, and her daughter, Short

I Apologize

I would like to apologize to Derrick Butler for forgetting to put his birthday in last month's paper. His birthday was 01/08. Happy late birthday Derrick.

And I apologize to Ginger for not mentioning that she worked on 12/24/2013. Thank you Ginger for your dedicated service.

February Employee of the Month: Bryan Campbell

Bryan started with DDB on 3-1-10, where he is currently the Senior Sales Rep. Bryan works to help make sure the sales department here at DDBUNLIMITED runs smoothly. He will help you with any needs you may have on everything from our enclosures to how the electrical current works. Bryan currently has 7 of DDB's top 10 companies as well as most of our distributors.

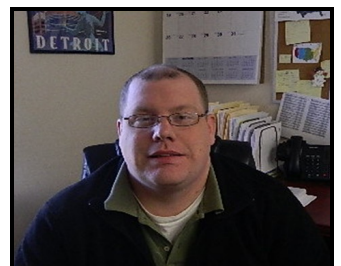

at the Paoli Pentecostal Church. Bryan and his wife live in Paoli with two chocolate labs, Zoey and Sandy. Bryan moved to Oklahoma from Michigan. He is still an avid Michigan Fan. Bryan has a car detailing business out of his home. He does this for his love of working on cars.

there is anything you want to know about him just ask. He is a very honest person.

Bryan loves God and goes to church every chance he gets. He and his wife Cami are the Sunday School Youth Directors

He will also give advice and he has a listening ear. Bryan is the type of person who would give you the shirt off his back if you needed it. He is very dependable and loyal. Bryan excels as a sales rep here at DDB. If

Thank you Bryan for all you do both on the job and in the community. We appreciate all you do.

A Letter From Pastor Don

To all of DDB Unlimited.

Below is a picture of a few of the children you are helping to support in school.

70% of the children of Sierra Leone cannot afford an education and they live their lives without this simple basic necessity. The vision Dusty Mahorney saw and supported was the ability to send as many kids to school as possible. Brenda & I were commissioned by the Lord, supported and sent by Dusty and DDB to build the schools, churches and industries to help transform this generation of kids. When this project began, GEM Ministries of Sierra Leone, had 2 private Christian schools that supported 40-50 children each. Today, with the support of DDB Unlimited we have opened 9 schools and are educating approximately 400-500 kids.

This Christian education will be their hope for a future life and it gives them the opportunity to rebuild their nation as they grow.

ALL OF YOU AT DDB UNLIMITED ARE HELPING TO REBUILD AND CHANGE A WAR TORN NATION WHILE GIVING HOPE TO THE OTHERWISE HOPELESS.

We appreciate all that you do for our King and His Kingdom as you continue to support our mission in Sierra Leone West Africa.

THANK YOU AGAIN & MAY GOD CONTINUE TO BLESS AND BUILD DDB UNLIMITED AS HE BRINGS A HARVEST FROM THE SEEDS OF LOVE YOU ARE SOWING AT HOME AND ABROAD.

Love you all,
pd&b
