EMPLOYEE OF THE MONTH!

Provided By: Rondi Shea

Tonya James rejoined the DDB Family on June 27th, 2011. Tonya has worked as a Mainline hand and a Sales Representative. She is currently back in Mainline which is where she is happy to be. You can usually find her in the back at the insulation table. She cuts all the insulation that is needed for the enclosures. She is the "Queen of cutting insulation" but that's not all she does. She has no problem helping build the enclosures. She is small enough she can fit in most of the enclosures so she can get to the hard too reach places. She can definitely keep up with all the guys in mainline!! Also she is always willing to help out somewhere else if it is needed. Tonya always has a good

attitude when it comes to work, she is a good person to work around and she has a great work ethic. And working with her there is NEVER a dull moment, she will definitely keep you laughing!

On a more personal level, she is blessed with 3 beautiful and amazing kids. Brittney Lai 25yrs, Taylor Poe 21yrs and Mason Poe 18yrs. And anyone who knows Tonya knows how much she truly loves her kids and will do anything for them! Outside of work Tonya enjoys being with her friends and family as much as possible hanging out and relaxing. She really enjoys doing anything outside

like fishing, going to the lake or just hitting a back road and riding around. Thank you Tonya for all you do for the DDB Team, we truly appreciate all that you do!
