

DDB Unlimited, Inc. ACCESSORIES

Best Warranty in the Industry

Why Customize Your Enclosure?

As every install has different and unique demands, DDB is equal to the task with a wide array of accessories to customize each enclosure.

To start, DDB offers a wide range of reliable HVAC products from Pentair to meet all of your cooling needs from small to large, we have it in stock.

Cable entry is made easy with Roxtec cable entry systems. From one cable to 100 we have a variety of solutions to keep cables sealed.

Electrical panels, disconnects, breakers outlets and light kits are easily integrated into every DDB enclosure.

Battery trays, mounting trays as well as many different mounting brackets and bases are all easily added to most cabinets.

Being the manufacturer, DDB is also able to install these options quickly and properly with our factory trained technicians offering a "customized" solution for your project with lead times of off the shelf items.

Contact your Account Manager today to see the many ways DDB can make your next cabinet a more complete, easier to install total solution.
