To Whom It May Concern,

nVent Hoffman private labels air conditioners for DDB Unlimited, Inc. The following AC units part numbers are specific to DDB but hold the same specifications, capabilities, functionality, and warranties as the N28 and N36 series products listed on nVent Hoffman's website and online catalog. nVent Hoffman provides a standard one year warranty on all AC units including those specifically produced for DDB Unlimited, Inc. In addition, any DDB specific AC units that have the part number ending in "P2YP" or "P2YPM" have a second year, parts only warranty included. A copy of the standard warranty is available upon request.
